Basis for judgement/approval

Report 7P06047-01 and 8P01413-02 RISE Research Institutes of Sweden.

Comments

Corrosivity category C4 requires an intact corrosion protection after installation.

This approval supersedes the previous approval with the same number dated 2017-03-27.

Validity

Valid through 2023-03-22.

The validity of this approval expires when the characteristics included in this approval shall be CE-marked according to the Construction Products Regulation (EU) 305/2011.
